

Together we can we move Wisconsin cycling forward

Join the Bicycle Federation of Wisconsin and over 500 bicycle enthusiasts for this inspiring and exciting event!

April 21 Wisconsin Bike Summit

This year's Bike Summit offers Informative workshops, inspiring speakers, and an opportunity to connect with community and industry bike leaders.

Special Guest

Andreas Rohl, Head of Copenhagen's Bicycle Program

Don't miss this inspiring and dynamic presentation on how we can learn from Copenhagen's dramatic success in expanding their bike infrastructure to become the world's best bike city. An amazing 40% of Copenhagen commute trips are by bike.

Tips and tools you can use

Choose from **multiple workshops** that will offer important tips and tools you can use in your community. Topics include:

- **Encouraging our kids to walk & bike** through Safe Routes to School
- **Building Bicycle-friendly communities**
- **Expanding non-motorized bike trails**

April 22 Lobby Day

We'll ensure that every Wisconsin legislator understands the **importance of our state's \$1.5 billion bicycle economic impact**. You'll join with other attendees from your district to meet with your state legislators. Bike Fed takes care of all the logistics.

All you have to do is show up!

Last year's Bike Summit proved...
We CAN make change happen!

Our success at the 2009 Bike Summit included:

Victory 1: Statewide Complete Streets legislation to increase bike lanes & paths

Victory 2: \$5 million increase in bike funding

Victory 3: Passage of Anti-Dooring legislation to protect bicyclists' rights
